

Kenton County Public Works Monthly Clean-Up

Solid Waste Management hosts free monthly clean-ups at Lincoln Ridge Park generally the first Saturday of every month from 9:00 A.M. until 2:00 P.M.

Unwanted appliances, trash, tires and other junk is accepted. Car tires are accepted, but after four the fee will be \$3.00 per tire.

Please note: Hazardous materials and paint will NOT be accepted.

In the case of snow or ice during a clean-up time, the clean-up may be cancelled. The crews responsible for the monthly clean-up are the same crews responsible for snow removal. Please contact Public Works for updates in the case of snow or ice.

Lincoln Ridge Park is located at 420 Independence Station Rd., Independence, KY 41051. Phone: 859.392.1920

Follow the signs as you enter the park and Public Works staff will be there to direct you. Please bring help to unload.
